

Become a Friend of the Library!

The Friends of the Pittsylvania County Public Library welcome new Friends! We are a non-profit organization (501(c)3) working to improve your community through the promotion of our public library, its programs and resources.

Friends donate both time and money to our library system by advocating for the library, providing support for reading programs, sponsoring special events, and purchasing needed equipment to ensure that the library supports the information, education, and learning needs of the citizens of Pittsylvania County.

We raise funds through book sales and other fundraising events. Your tax-deductible donation/membership fee helps us meet the future needs of the library and our community.

Please fill out the information below and mail it with your check to the Friends of the Library, 24 Military Drive, Chatham VA, 24531, or return it to your local library branch.

Thank you for your support!

Yes, I want to be a Friend of the Library! Enclosed is my *annual* tax-deductible contribution.
